

BECOME A MASTER OF DISGUISE

In this fun activity your young people can discover their inner spy whilst practising digital wizardry and their skills of disguise.

(Online activity)

Suitable for Beavers and Cubs

You will need:

- A camera phone
- A laptop, iPad or digital notebook
- A cable to connect the laptop, iPad or notebook
- A selection of fancy dress props such as moustaches, glasses, wigs, scarves, feathers and hats

Instructions

1. Divide the young people into groups and give each group a box of props and fancy dress items.
2. Explain that they are going to be spies and so need to master the art of disguise.
3. Give the groups 10 minutes to transform themselves into world-class spies.
4. Using a camera phone each young person should take a selfie for their spy I.D.
5. Upload the photos and create a slide show of all the spies (see the guide on how to upload photos for further support).
6. Get the young people to vote for the best spy selfie.

TIME NEEDED

30 minutes
