The PROMISE

The Makaton Vocabulary Development Project has produced this standardised version of the Promise, to be used by Unit Leaders who have children in their unit, who use signs with the Makaton Vocabulary as their main means of communication.

The Makaton Vocabulary Development Project has collaborated with the Scouts Association to produce a Training Video introducing Makaton and showing how to sign the Promise. The video and the Scouts Association's Communication Chart are available to order from the Scouts Association, Gilwell Park, Chingford, London E4 7QW.

SIGN BANK

SIGN BANK

● use these signs for your promise

The Makaton Vocabulary is a Language Programme which provides a basic means of communication and encourages language development in children and adults who have communication problems related to learning difficulties or other disabilities. It is in widespread use in this country and, increasingly, abroad. In the UK, the signs we use have been selected from British Sign Language.

Further copies of the Promise, details of Training Courses, Resource Materials, Research Information and the names and addresses of local UK Makaton Representatives, can be obtained by contacting the Director of the National Centre for the Makaton Vocabulary. The Makaton Vocabulary Development Project is a Registered Charitable Trust.

**Workshops are provided locally by approved
Makaton Tutors, or directly from the MVDP.**
