

Award for Merit – Example citation 1

Anne has guided the Reigate Cub Scouts through some difficult times, often as the only warranted leader depending on transitory parental help to keep the meetings going. Pack numbers have always remained healthy and sometimes peaked to very high numbers, which is testament to the quality of the programme and the continuous hard work Anne has put into the running of the Pack.

For a number of years, Anne's Pack was the only one in Reigate, feeding another Group's Scout Troop, and Anne ensured the relationship worked as well as it could to provide a seamless transition from one Group to another as her Cubs jumped up. In 2008, the Reigate Groups were formally joined to form the 1st Reigate and Anne's whole hearted support and practical help with the merger was invaluable to the success of the venture.

Anne's contribution to Cub Scouting in Reigate has been invaluable, as without her dedication and commitment over the years there would not have been a Cub Pack to take Beavers and feed the Scout Troops, whether part of the same Group as today or different Group in the past.

Anne has always supported the Group, District and County fully whether at District Camps, St George's Day, Church Parades or the many other ways her Pack interact with themselves and the rest of the Movement. That she has achieved this during many years of limited regular help is a testament to her relentless dedication, commitment and capability.

I recommend Anne is awarded for her outstanding service to Scouting with a Good Service Award.
