

# Autism Friendly Scouting

1. Use clear and simple communication
  - Say what you mean
  - Use less words
2. Be visual
3. Work in partnership with parents/carers
4. Give processing time
  - Use the 6 second rule
5. Provide structure and routine
  - Explain what is happening now and next
6. Prepare for changes or new situations
7. Manage the environment
8. Ensure rules and expectations are made clear
9. Be positive, calm and caring
10. Be prepared and plan ahead

Visit [scouts.org.uk/autism](https://scouts.org.uk/autism) for practical tips and resources to help you support young people with autism in Scouting.
