Identity Checking Form

UKHQ, England, Wales and British Scouting Overseas roles only
The Identity Checking Form can be used by any person completing the identity checks for adults in England, Wales and British Scouting Overseas who wish to undertake a role in Scouting that requires a criminal record check.

Please note: throughout the Disclosure Application process, the ID Checker (data processor if applicable) and the Applicant are required to provide declarations. To knowingly make a false declaration at any stage of the application is a criminal offence.

**Information for identity checkers – please read the following two statements to the applicant.**

**ID required**
Applicants must be able to show one document from **Group 1 and two further documents from either Group 1, or Group 2a or 2b** (as indicated below). If the applicant does not have any of the documents in Group 1, then they must be able to show **one document from Group 2a and two further documents from either Group 2a or 2b** (as indicated below). If the applicant does not possess the required identity documents for a disclosure check to be carried out, their application cannot proceed any further online and the applicant must contact disclosures@scouts.org.uk for further advice.

At least one of the documents must show the applicant’s current address. The applicant must provide original documents only; photocopies will not be accepted. Applicants must use documents from Group 1 if they have them. The information entered must match identity, date of birth and address information stored in the Compass membership database.

**Route 2 – External ID verification statement**
Where a Group 1 document is not provided, we will attempt to verify your identity using a third party (Experian). The agency will check the details you supply against any particulars on any database (public or otherwise) to which they have access. A record of the search will be retained, but will not be visible to other parties or affect your credit record.
