The [European Scout Jamboree](#) will take place in Poland in July/August 2020 providing 11 days of activities and a chance to develop new skills, make new friends and experience Poland's beautiful countryside.

We have been listening hard to your feedback on participation in international events. UK participation in the European Scout Jamboree 2020 will be different. With concern at rising costs and increasing complexity we're empowering you to build the experience that is right for your local area.

Click here for [further information](#) about the event which includes details of how local Scouting can get involved in this great event.
