

Meet the team

The Awards Team

You can contact the Awards Team on awards@scouts.org.uk

Emily Onley
(Coordinator)

Emily joined the team as a full time Awards Coordinator in December 2018. Emily has really enjoyed learning everything to do with her role and is excited to see how things can progress over the coming year. Emily's main role at UK Headquarters is to manage the Scout Award function within the wider Member Support Team including oversight and management of Youth and Adult award processes. This includes, developing and implementing more streamlined processes which in turn will make things easier for the membership to both apply for awards and the process of awards being sent out a much smoother one.

Bethany joined the team as a full time Awards Administrator in April 2019. Bethany previously worked in fashion as an apprentice in Employee Engagement and Awards and Recognition, and loves being able to reward people – which has now brought her here. Bethany's main job responsibilities are general admin for the awards team which includes answering member enquires, processing nominations, creating duplicate awards and many other things. In her spare time, Bethany enjoys spending time with her family and exploring new places.

Bethany Fullard
(Administrator)

Amy McCullough
(Administrator PT)

Amy McCullough joined the Awards Team as an Administrator (part time) in August 2019. Most recently, Amy has been working at Queen Mary University, London supporting staff to gain Fellowship of the Higher Education Academy (now AdvanceHE). Amy has also worked at QMUL as Admissions Manager (Laws). Prior to that she has held various positions in academic journal publishing, including Managing Editor at the Royal Geographical Society. In her 'spare' time Amy runs a small sewing and embroidery business and is mum of two girls.
