

## SAFE SCOUTING: A CODE OF CONDUCT

- Do** – ensure all activities are approved in accordance with POR (Rule 9.1)
- Do** – identify hazards and discuss how they will be managed to reduce risk (see the Activities - Risk Assessment factsheet; Staying Safe checklists for managers, executive committees and sectional leaders).
- Do** – ensure all meetings, events or activities have a leader in charge who is responsible for overseeing the activity and all adults and young people. This includes, registers, headcounts, allocation of roles to specific adults and checking they are aware of their specific responsibilities (see leader in charge info at [scouts.org.uk/safety](https://scouts.org.uk/safety)). The best way of doing this is for all adults who will be involved in the activity to agree which one of them will undertake this function.
- Do** – give young people appropriate training, guidance and rules.
- Do** – be prepared to deal with accidents (have a first aid kit and relevant emergency contact details).
  
- Don't** – be afraid to stop or alter an activity being run by you or another leader.
- Don't** – put your needs above those of young people. Ensure activities are appropriate for the young people involved.
- Don't** – ignore concerns expressed by adults or young people.
- Don't** – assume that someone else is managing safety – always check.

### Reporting potential accidents:

- If you see an activity, premises or equipment which is potentially dangerous, report it to the premises manager, line manager or activity organiser immediately.
- If your concerns are ignored, contact the responsible GSL/Commissioner or body.

### Reporting near misses:

- We would like to hear about any situations that could have led to injury, illness or damage. This will help us to improve the advice and information we give to the Movement and prevent future incidents. Near misses can be reported via the Scout Information Centre or [scouts.org.uk/nearmiss](https://scouts.org.uk/nearmiss).
