What happens if…?

A young person tells you about abuse by someone else:

1. allow the young person to talk without interruption, just accept what is said
2. tell the young person that you treat what has been said seriously but you must pass it on to an adult Leader
3. immediately tell an adult Leader
4. make a note of the facts as you know them and give the information to the same Leader

If you have a concern about a young person or you get a complaint about anyone, including yourself:

1. immediately tell an adult Leader
2. make a note of the facts as you know them and give the information to the same Leader

It is the policy of The Scout Association to safeguard the welfare of all Members by protecting them from physical, sexual and emotional harm.

You must have your own copy of this guidance before you start being a Young Leader, even if you are just trying out the role.
